

General Instructions

- In the event you or someone from your staff is dropping off a specimen directly for processing, please follow these steps
- All specimens delivered must be accompanied by a laboratory requisition order form
- Failure to provide completed information may delay results or require recollection

Required Information

- **Patient Information:** full name, including middle initial, date-of-birth, address and phone number
- **Diagnosis Information:** code or reason for each test you are ordering
- **Provider Information:** ordering provider name, organization, address, phone, fax and any other pertinent information
- **Specimen Collection Information:** all specimens must be spun and correctly labeled with date and time of collection, specimen type and patient information. Patient information must match the information on the order form for test to be completed. Please indicate if the testing is STAT.
- **Billing Information:** Policy holder name and address, insurance plan information, contract, plan or group number and patient's relationship to policy holder. A copy of insurance card, front and back is preferred. Billing information should be provided if status is self-pay.

Drop-Off Instructions

- Deliver to Beebe Healthcare Medical Center, 424 Savannah Road, Lewes, DE 19958
- Deliveries are accepted 24/7
- Please use the West Entrance (main hospital entrance) as a drop-off location between the hours of 6:00 am and 7:30 pm
- After 7:30 pm, please use the Emergency Department Entrance for drop-offs
- Upon arrival, you must sign-in at hospital entrance. Security personnel will be contacted to guide you to the laboratory to record drop-off on the Specimen-Drop-Off Log in the laboratory.
