

Effective Treatment Starts with the Right Pathology Partner.

Oculus Laboratory Services

Our labs partner with hospitals, surgery centers, and physician specialty practices to deliver the most advanced testing in:

- Dermatopathology
- Hematopathology
- Breast and gynecologic pathology
- Surgical pathology
- Cytopathology
- GI pathology
- Urological pathology

The Oculus labs are:

-  Independent, physician-owned
-  Backed by a network of more than 45 board certified specialty and subspecialty pathologists
-  CLIA-certified
-  Accredited by the College of American Pathologists
-  More than 75 years of experience and service

The Oculus labs provide patient-friendly collection devices, state-of-the-art testing, rapid turnaround time, and integration with practices and clinics EMRs for frictionless order entry and results retrieval.

Our Pathology Commitment:

With nearly 200 available tests, our labs are continually updating our diagnostic capabilities to offer the most current histology, molecular pathology and cytology tests as well as immunohistochemistry, immunofluorescence, and special stains.
